California State University General Education Breadth Requirements (CSU GE)

The California State University (CSU) requires all students to complete at least 48 semester units of general education (GE) to earn a bachelor's degree. The CSU GE-Breadth is a 39 semester-unit pattern of lower-division GE courses that may be completed at Berkeley City College. The remaining 9 units of GE are upper division courses that must be completed at the CSU. It is recommended that students planning to transfer to a CSU complete their lower-division GE prior to transfer by following the CSU GE-Breadth pattern. However, the CSU GE-Breadth pattern may not be the best GE preparation pathway for ALL majors. Students should consult with a Counselor to determine the best GE plan for their major and transfer destination.

Students may be eligible for transfer to California State Universities, with junior standing, upon completion of 60 transferable semester units with a grade point average of 2.0 ("C") or better. "Golden Four" Course Areas – A1, A2, A3 and B4 are required for admission into any California State University and must be completed with a grade of "C" or better.
