

Partner School District Meetings  
Superintendent/School District Leaders  
2016-17

As part of the department's partnership development initiative, the partnership coordinator, CRECE Director, the department chair, and the cohort leader and/or Tier I Program coordinator, meet with partner school districts at least once a year to gather input, to learn about current initiatives and to share programmatic activities and student progress. Communication is maintained also via emails by the partnership coordinator to all partner districts throughout the year.

This year, the strategy was to focus on districts with new superintendents in order to establish a relationship, and districts who expressed interest to host a cohort at their sites.

San Mateo Union High School District	11/30/16	Dr. Kirk Black, Deputy Superintendent, HR and Instruction Brian Simmons, Director, Curriculum and Assessment
San Leandro Unified School District	11/30/16	Dr. Rosanna Mucetti, Deputy Supt. Educational Services
