

improvement. In the 2017-2018 academic year, we will implement Unit and Program changes to achieve those objectives. In the 2018-2019, academic year we will determine our level of success in meeting those objectives. At the same time, we will begin a new cycle by analyzing the data from the 2016-2017 and 2017-2018 academic year.
