

AMY LAUPPE CAPURRO

Summary: Over 8 years in educational leadership positions throughout the District, I have led and supported a variety of initiatives including Response to Intervention, special education compliance review, and implementation of new initiatives. I have collaborated successfully with administrators and teachers at all levels, as well as all district departments, to better serve students in San Lorenzo Unified School District. My focus has been to serve underserved populations in San Lorenzo and to improve their educational outcomes.
