

What we do

The Burdett Trust for Nursing Trustees focus their funding on three key areas:
Building nursing research capacity and capabilities; **Building nurse leadership capacity and capabilities;** and
Supporting local nurse-led initiatives.

The Objects of the Charity

Promote **and** advance **education, research and**

Nurse Retention

13 Projects were funded by Burdett Trust in 2016 on this important topic

Thank you to the conference organisers today for organising this event.

Thank you to the hardworking researchers & in particular Janet Scammell the lead researcher for this project for

The Bournemouth University and Royal Bournemouth Christchurch Hospitals NHS Foundation Trust
